By Road:

Leave the M25 at Junction 13 and follow signs for the A30. You will pass *through* the “Crooked Billet Roundabout” and follow the A30 to the next roundabout. This has a Vauxhall garage on the left and SAP can be seen on the far side. Take the 2nd exit. This is the A315, the Staines Road where Citizen is located. See below for exact office location.

From Central London, you can take the A4 and then at Hounslow, take the A30. Follow the A30 passing Heathrow Airport Terminal 4 (on the right). There are various lights and junctions but at the first roundabout (with Vauxhall garage on the far side), take the 1st exit (almost coming back on yourself). This is the A315, the Staines Road where Citizen is located.

From the roundabout, drive along the Staines Road less than half a mile. We are on the right side, just before (and next to) the "**Murco**" petrol station. There is a triangular green (Bedfont Green) on the left side, just before the office with a church on the far side of the green. You will see this on a street map quite clearly.

By air: London Heathrow airport is situated extremely close to the office. If you need to make your own way to our offices, take a bus or train from your particular arrival terminal to Hatton Cross station and follow the instructions given below.

By train & by bus: The H25 bus runs directly from Hatton Cross underground station. Alternatively, the H21 and H25 buses run directly from Feltham mainline station. Both bus routes stop directly outside our offices. The stop is for "Bedfont Green (Staines Road)". Further details from www.londontransport.co.uk.

Please come to the entrance at the back of the office and press the button for Citizen.
